OBJECTIVE

Information Technology student skilled in HTML, CSS, Bootstrap, PHP, and MySQL, seeking an entry-level Web Developer, Software Developer, or IT Support role to apply hands-on project experience and a strong foundation in front-end and back-end development.

PROJECTS

Responsive Website | *HTML, CSS, Bootstrap, PHP, MySQL* 2026

- **Responsive Design:** Designed and developed a fully responsive multi-page website using HTML5, CSS3, and Bootstrap, ensuring consistent display across desktop, tablet, and mobile screens.
- **Back-End Integration:** Built the back-end using PHP to handle form submissions and dynamic content, integrating a MySQL database for structured data storage and retrieval.
- **Code Quality:** Implemented clean, semantic markup and organized CSS to improve page readability and maintainability.
- **Cross-Browser Testing:** Verified layout consistency and fixed responsiveness issues across multiple browsers and screen resolutions.

Calculator Application | *HTML, CSS, JavaScript* 2026

- **Core Functionality:** Built a functional calculator web application using HTML, CSS, and JavaScript to perform core arithmetic operations.
- **Interactivity:** Applied JavaScript logic to handle user input, event listeners, and real-time calculation updates in the browser.
- **Code Structure:** Structured front-end code into reusable functions to strengthen core JavaScript problem-solving skills.

EDUCATION

Government Mili Dar-ul-Atfal Girls High School | *Matriculation* [2021]

Marks: 1034 / 1100

Punjab College | *Intermediate (Pre-Medical)* [2023]

Marks: 708 / 1100

Virtual University of Pakistan | *Bachelor of Science in Information Technology (BSIT)* Currently in 7th Semester

CGPA: 3.47 / 4.00

SKILLS

Languages: HTML, CSS, JavaScript (basic), PHP, Python, SQL Frameworks &

Libraries: Bootstrap, JQuery

Databases: MySQL

Core: Responsive Web Design, Version Control, Database Design, Debugging & Troubleshooting

Tools: Git, GitHub, VS Code

IT Support: Basic Troubleshooting, Documentation, Technical Communication

CERTIFICATIONS

- **Web Development Certificate:** Peak Institute Pakistan — completed training covering front-end and back-end web development fundamentals.
